# ABOUT THE EVENT

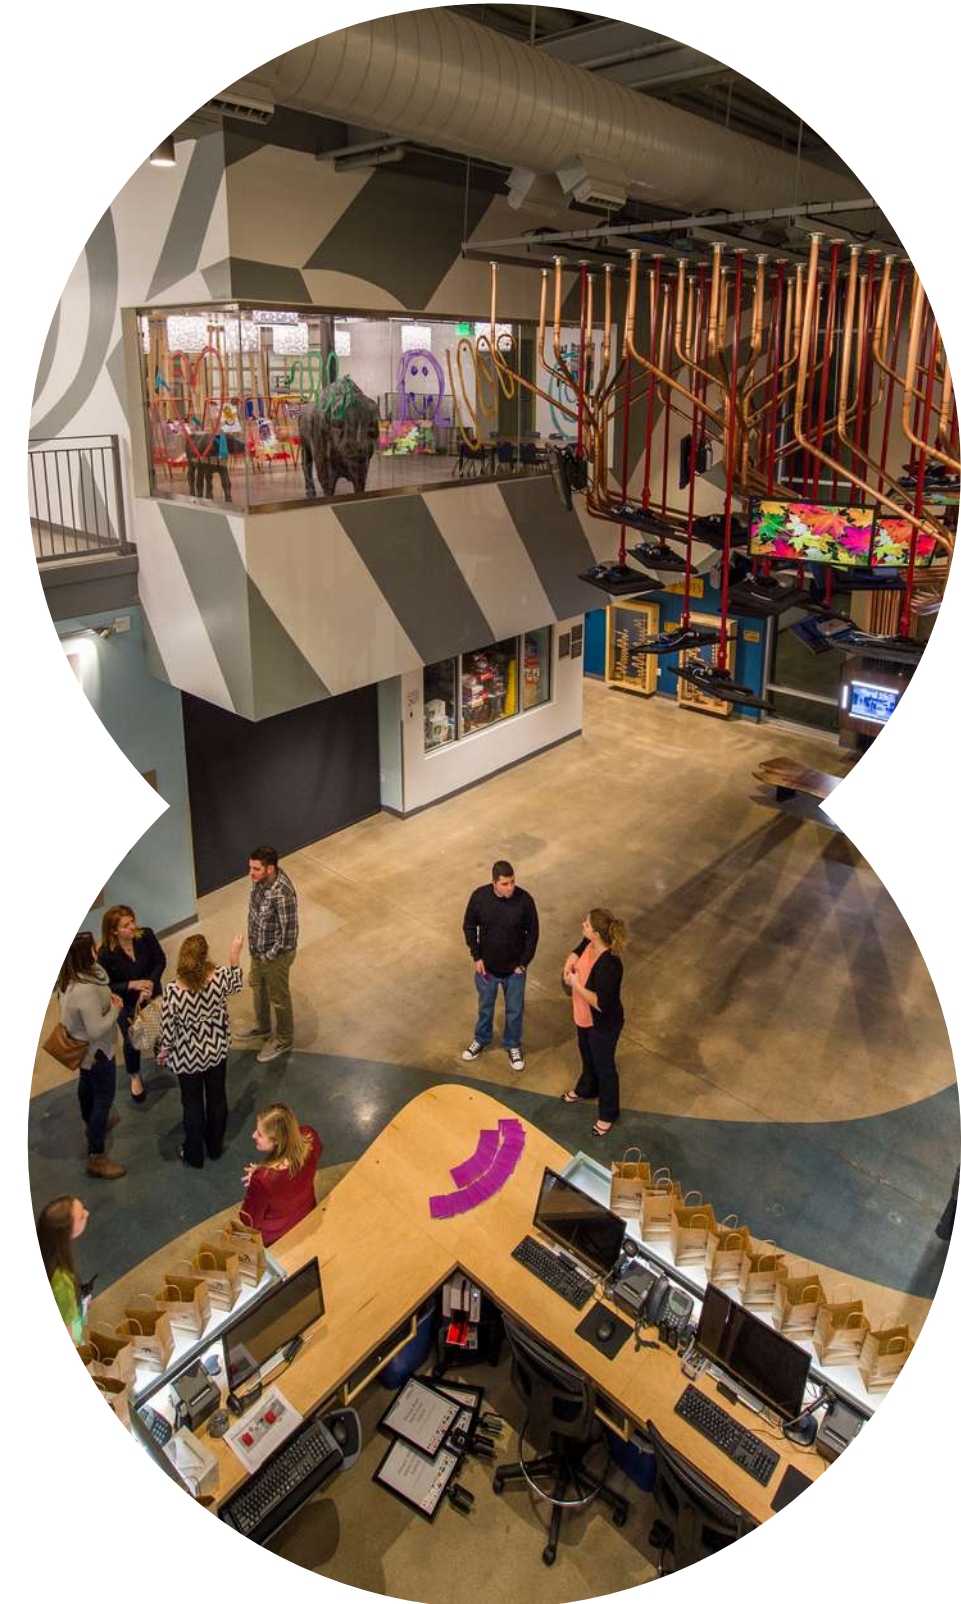

Join Colorado Native and Denver Broncos Lineman, Dalton Risner, at his inaugural charity dinner, “A Night at The Museum” on Monday, September 27, 2021 at The Denver Children’s Museum. This charity event will be a fun-filled evening with everything from a private tour of the museum, a taste of Dalton’s favorite foods around town, an interactive photo-booth, a golf simulator, tastings of the best beers, whiskeys, wines and more from around Denver and so much more!

The RisnerUp Foundation was created – quite simply – to positively impact others through love and kindness. Whether it be our work with Special Olympics, people suffering from serious illnesses, or just offering a helping hand, we aim to lift spirits, generate smiles, and spread the word of God.
